A Message from our Eastern Buckeye Region President

Greetings everyone and welcome to fall in Ohio, personally, my favorite time of year. I am hoping to get some serious miles logged for THE MEMORIAL TOUR DRIVE contest that we recently kicked off.

It was great that we finally managed to get away from holding our EBR monthly business meeting virtually and were able to hold it in person this month. We have all been doing our best to leverage technology, but it is just so much better when we can get together.

One great idea that we will be implementing is the PASS THE HELMET campaign. Starting immediately, the Helmet will be present at every meeting and event we hold. Those present are encouraged to contribute, small amounts over time can really add up. Our charity from now through November 2021 will be the Akron-Canton Regional Foodbank, and they can use every dollar they can get. Members not able to attend events in person can still help make a difference by sending a check to EBR PCA or directly to the Akron-Canton Regional Foodbank.

Now through Veterans day THE MEMORIAL TOUR DRIVE will be taking place, take a drive to visit a dedicated memorial in each of the 14 counties comprising our region and enjoy the fall colors while paying your respect.

We have the EBR Gimmick Rally set for October 10th which should prove to be a fun event. Many thanks to Dave Viola for putting it together. It starts in Minerva and ends at Maize Valley in Hartville. Seating at Maize Valley for the conclusion of the rally is limited so [sign up now](#).

The current PCA Sim Racing is at the half-way mark now, it has been filled with ups and downs but always entertaining. If you have not given it a look, proceed with caution, it can be addictive. Also, if you have any young children in your life, son/daughter/grandchildren/niece/nephews get them signed up for PCA Juniors. It is fun for them and a link to our Club's future.

If you would like to put on an event, just let one of the Board Members know; we would be glad to help make it happen. Remember, no masks are required on the open road; here is to many enjoyable miles in your Porsche!

All the best, Scott

Around the Zone

Hi Zone 4 Friends and Family,

We are starting to get out there and safely meet up to enjoy our Porsches this summer. August saw many more driving tours, cars & coffee events, and yes, even a few driving schools. This continued into September.

I was able to join the Southeast Michigan gang at Waterford Raceway (pictured right) for a great day of Driver Education sessions. Despite no in-car instruction due to the COVID restrictions, we had all run groups full and the novice drivers were enthusiastic about their Parade Laps with Pace-setters showing the line. They will be back in the spring when hopefully we can get in the cars with them and improve their skills.

HPDE events around the zone are showing great participation, despite no in car instruction - such as Western Michigan Region at Grattan and upcoming events at Mid Ohio, Putnam Park, and Indianapolis Motor Speedway.

Finding a silver lining, there have been many humorous cartoons and other 'punny' twists on the COVID situation. As a sign of the times, when at a Porsche Dealership, I saw this sign on the floor (pictured right), as a substitute for the standard 'stay 6 feet away' to separate those customers standing in a check out lane and the like. And later that week, driving in my Boxster, I had to pull over and take this photo of the trip odometer reading. Doesn't that say it all!

Meanwhile, thinking ahead, I was able to spend a few days at French Lick Resort area with the Parade Planning Committee, for an onsite visit. Mark your calendars for the 65th Porsche Parade, July 11-17th. Zone 4 and Zone 13 are the host zones, and there is so much fun being planned for us.

The concours will feature the Historic Display, this year with the theme of 'Blow the Lid off of Summer,' featuring all the Porsche models with removable (or no!) tops. Let me know if you have a special Porsche for this display.
