A Message from our Eastern Buckeye Region President

Spring is on the horizon with good weather and longer days right around the corner. We may be finally gaining some traction in putting COVID-19 behind us, it seems lately that every day the news gets better. I am not sure what our new normal will look like, but I am looking forward to finally start holding some events where our members will feel comfortable venturing out and enjoying all things Porsche with EBR.

I was absolutely amazed at how quickly all the hotel rooms for this year's Porsche Parade 2021 in French Lick sold out. I think it is representative of all the pent-up demand to get out and have some fun. There is a waitlist you can get on for Parade lodging and I know PCA National is working hard to find additional accommodations; so if you are thinking of going, I suggest you get on that list.

The EBR board had some great discussion early February on event planning for this year. We should be able to start publishing some dates for events towards the end of March. To kick things off, we have a Thirsty Thursday scheduled for April 1st at the Caston & Main Brewery.

One major event we did approve is the Monday HPDE event at Nelson Ledges, which will be held this year on July 5th. Keith Kunz will be the chair for the event and has formed a track committee that is off to a great start. You can find information and register for the event on Motorsportreg.com.

Congratulations to Dan Hilditch as our 2020 Eastern Buckeye Region Enthusiast of the Year. Dan has gone above and beyond (with the help of his wife Diane) helping the Club plan and conduct events since joining EBR; not to mention offering his top-notch culinary skills.

EBR's membership remains strong, we currently stand at 258 Primary with 152 Co-members and 28 PCA Juniors. I encourage you to log in to your PCA.org account and verify that your information is correct, especially your address, email address, phone number, co-member, and the co-member's email.

As always, if you have an event you would like to put together, possibly a Dinner Drive, Rally, Driving Tour or any PCA appropriate event that comes to mind just let Cheryl or one of the EBR board members know.

Cheers, Scott

CALENDAR OF EVENTS

PORSCHE-ONLY SWAP MEET

Saturday, May 1st, 2021

The Central PA Region of the Porsche Club of America is bringing The 44th Porsche-Only Swap Meet to Carlisle Fairgrounds, in Carlisle, Pennsylvania.

Featuring more than 650 vendors and 1,000 Porsches, it is the largest event of its kind. If you're seeking an obscure Porsche or a part for your Porsche, this is your best chance to find it. A People's Choice Concours will also be featured!

Admission is free and parking is \$25. Visit <http://cpa-pca.org/swap/2021/index.html> to learn more! Vendor sign up ends on April 15th.

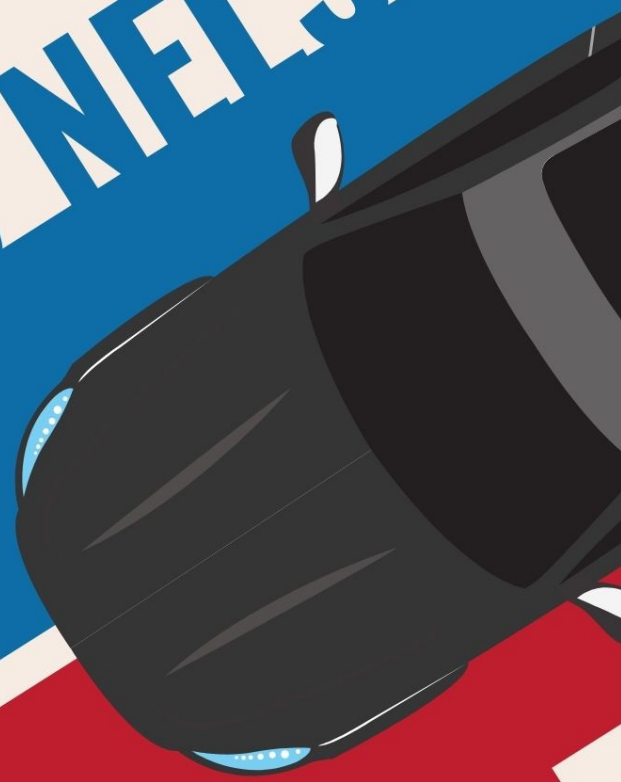

Join us for a full day driving school at the legendary Nelson Ledges Road Course. Instructed and advanced driving groups to be held.

EBR Member *Spotlight*

Meet, Keith Kunz!

Keith has been a PCA member for 15 years.

He still owns all four Porsche's he's purchased: an '86 944, '01 Boxster S, '09 Boxster, '11 Cayenne with manual transmission.

What is your favorite thing about owning a Porsche?

The driving enjoyment and how each drive is a pleasure to take.

What is your favorite memory with your vehicle?

Driving at the Indianapolis Speedway at 1st DE hosted.

What is your favorite Porsche model?

Cayman GT4

If you could drive any Porsche for a single day, which would you choose? Why?

It would be a 911 GT3 RS. It is the ultimate track Porsche and unlikely I would ever get to own one.

KEITH SHARED: "I am a DE enthusiast and instructor participating in 8-10 PCA DE events per year. It is a great way to exercise your Porsche and explore more of its capability safely. It teaches you more about your car and improves your driving skills while putting a big grin on your face."

DON'T FORGET: click here to fill out our [member spotlight form](#) for a chance to be featured in an upcoming newsletter!

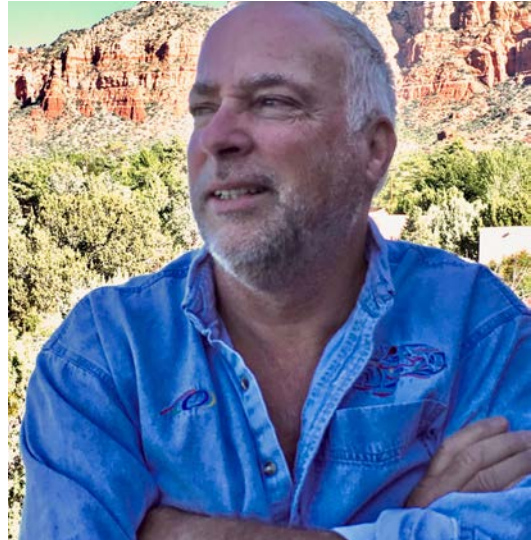

Congratulations, Dan Hilditch!

Congratulations to Dan Hilditch, who has been recognized as our 2020 Eastern Buckeye Region Enthusiast of the Year.

Dan has gone above and beyond (with the help of his wife Diane) helping the Club plan and conduct events, since joining EBR. Not to mention, offering his top-notch culinary skills to fellow members time and time again.

This one-of-a-kind EBR Award is given yearly to a member whom stands out from the crowd.

We are lucky to have you with us, Dan!

Around the Zone

Hi Zone 4 Friends and Family,

As the world is starting to get back to some sort of normal, I hope this finds everyone feeling optimistic about 2021. Some of you may have already received the vaccine, others registered and waiting your turn. Your region boards are planning for a fun filled year.

Later in February, the annual Zone 4 President's meeting will happen in 2 evenings of zoom calls, rather than our typical gathering in Toledo for a day. This is when we hear from a member of the National Executive Committee with a PCA national update, and a few other national chair invited guests. This collaboration brings new ideas and resources to your region boards for the coming year's activities.

Is this your year to try something new with PCA? While it will likely be a few months away, there will be events starting up - driving schools, tech sessions, tours- you can think about attending in a safe manner. And, perhaps volunteer to assist in the execution of that event?

In the meantime, there are a few online resources to stay engaged with your PCA buddies. I hope you are getting eBrake news, in your email inbox. TechTactics has been a long running tech session event on both coasts. With the advent of COVID, this has gone online with sessions on the YouTube channel nearly every 2 weeks. You can view past sessions, and attend new sessions live. You can subscribe to the channel (<https://www.youtube.com/porscheclubofamerica>) and learn more about the history of Porsche cars, and what is coming in the future. Some sessions are deep dives into the car and feeding of your Porsche, and minor repairs. Check it out!

And visit our Sim Racing page, and enjoy some of the online racing with your region pals: <https://pcasimracing.com/zones-group-2-4/>. We just passed our 500th racer registration since the start of the program. What fun!

The racing season will be underway by the time you are reading this message. As many of you know, I'm a huge auto racing fan, and looking forward to the 24 Hours of Daytona, Daytona 500, and the start up of the Formula 1 and IndyCar series to follow.

Stay safe and warm, and we'll see you soon!

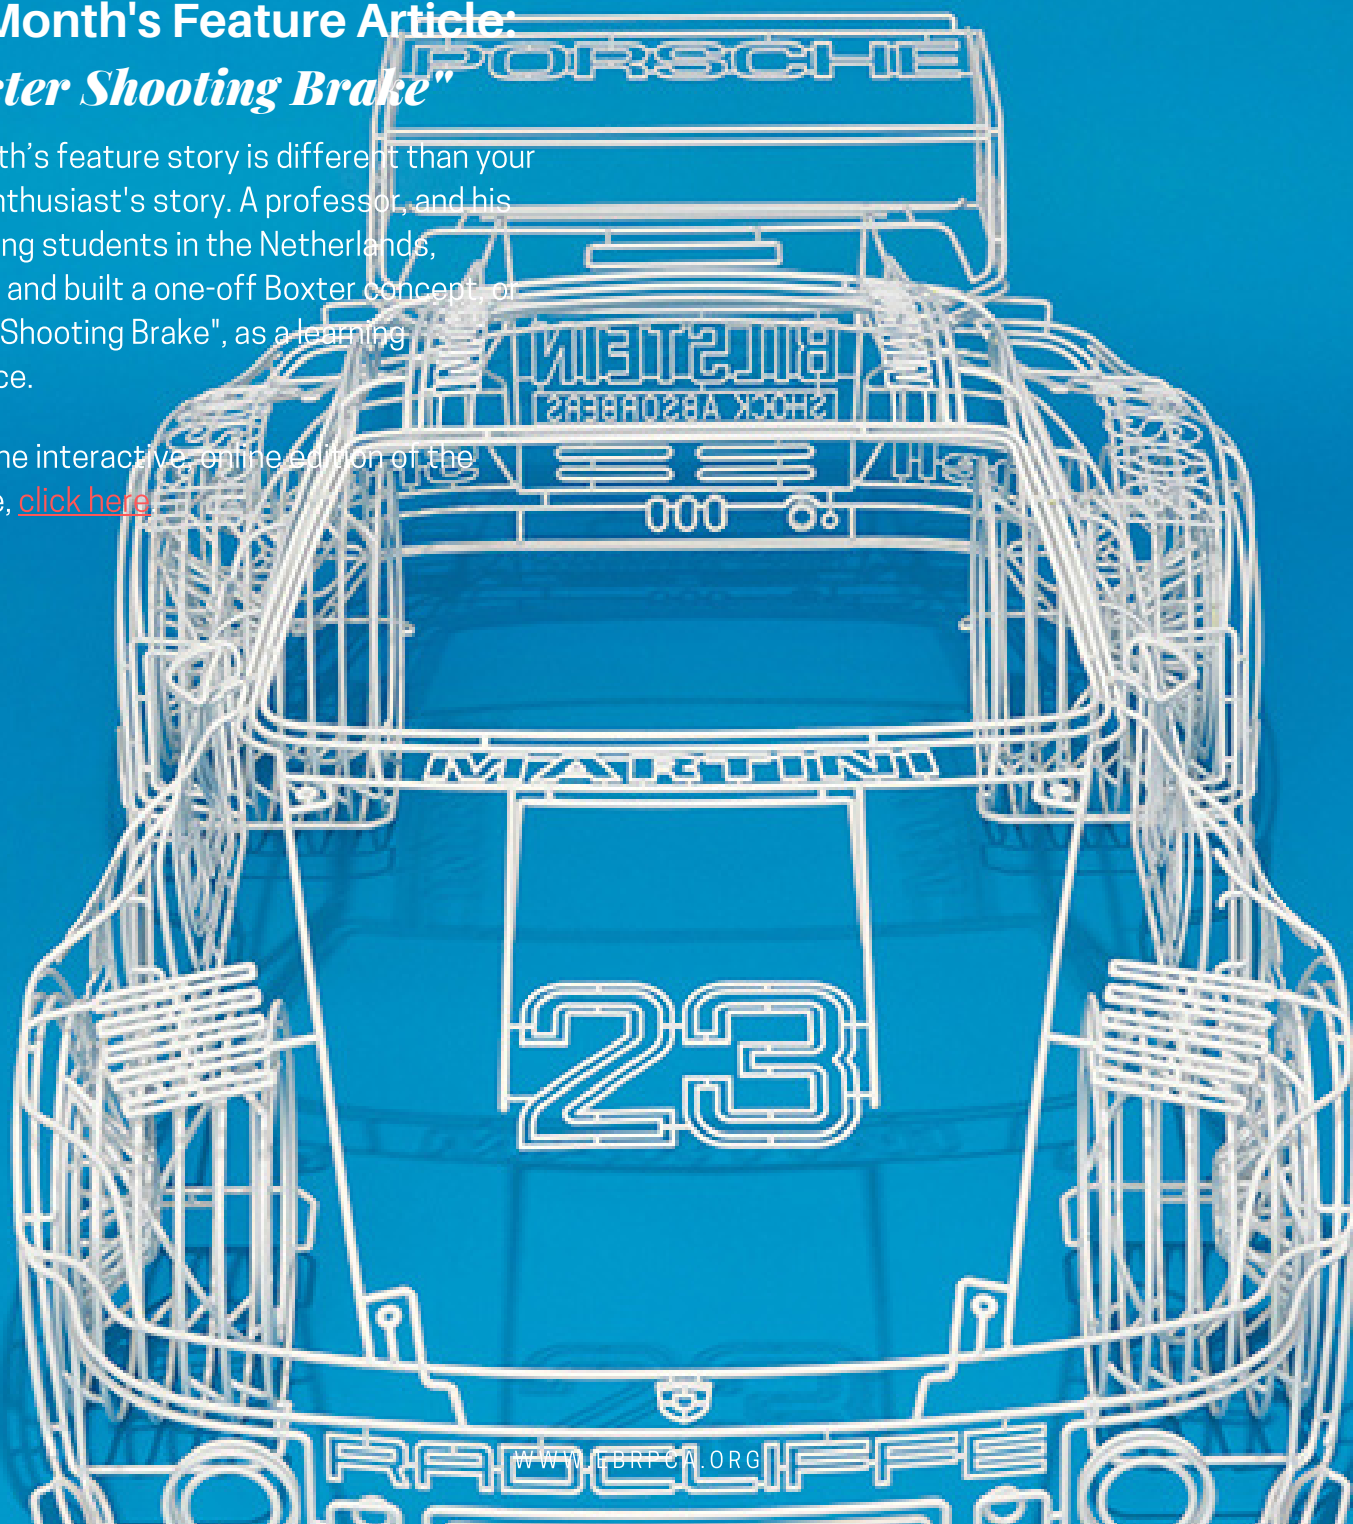

Lori,
Your Proud Zone 4 Representative

This Month's Feature Article: *"Boxster Shooting Brake"*

This month's feature story is different than your typical enthusiast's story. A professor, and his engineering students in the Netherlands, designed and built a one-off Boxster concept, or "Boxster Shooting Brake", as a learning experience.

The Blues Brothers

THREE FRIENDS USE THEIR 911s TO LEAVE THEIR COMFORT ZONES AND FIND A SENSE OF GRATITUDE.
STORY BY JOHN CHILDRENS PHOTOS BY LISA LORNE

"I THINK MY LEGS have fallen asleep." It was back to school night, and that's what I was thinking while sitting in a kindergarten classroom, converted into a nap room for a three-year-old with little hope of doing anything before we headed out to the art room. Then I turned to the guy next to me and said, "Hey, your legs asleep?"

That pretty much how it started. John Linschey and I had a few things in common: our daughters were in the same grade, we were three-deep in dadlife, and we were both into cars. Once that had been established, it was only natural that we'd each each other out at the small venue where John's dad threw the annual running through school drop-off or heading around a table full of Chi-sen chow mein and cool at a kid's birthday party.

You can't hibernate forever

Three friends three friends bonded over their 911s and the freedom of long drives. Now they are using their 911s to leave their comfort zones and find a sense of gratitude.
