01 **PRESIDENT'S CORNER**

I'm pleased to announce the Member Host initiative to the club. This is a great opportunity to get involved, share your best kept secret restaurant or pub with other club members.

The board will provide support for your event. The Member Host initiative begins January, 2027 but members are encouraged to begin signing up now. See guidelines below.

EBR MEMBER HOST GUIDELINES

Eastern Buckeye Region
Thirsty Thursday and Winding Down Wednesday
PICK A MONTH. PICK A RESTAURANT. BRING THE FUN!

Ready to share one of your favorite local restaurants or pubs with fellow EBR members? The EBR Board invites you to host a fun and casual Thirsty Thursday or Winding Down Wednesday gathering!

Choose an event location you think the club will enjoy, then visit [EBRPCA.org/Events](#) to select an available month. The second week of the month is preferred, but other dates may be considered. Event details will be shared on the EBR Facebook page, EBR Newsletter and website so members can mark their calendars and join the fun.

What Your Restaurant Should Offer:
Seating for approximately 20-30 guests
A reservation at 6:30 p.m.
Separate checks for attendees
Ideally, no private-room fees or minimum spending requirements
Off street parking is preferred.
A welcoming atmosphere and great food, drinks, and conversation!

Once you've selected your restaurant and date, submit the details to the EBR Board to confirm. Then get ready for an enjoyable evening with friends, fellow members, and perhaps a few new faces!

See the [EBRPCA.org](#) website, Events Tab to EBR Social Event Hosts. Submit the selected month and location online or to Bruce Delagrang, Delagrang876@gmail.com or 330-703-2532.

Thank you,
Bruce

02 **SALLY VISITS HER FAVORITE SHOE STORE - GOODYEAR**

Sally Carrera

Imagine my surprise when a fellow Eastern Buckeye Region member, Matt D'Arienzo sent me a letter from Porsche and photos of the 2002 Porsche 996 Carrera from the animated movie *Cars*. Matt retired from the Goodyear Tire and Rubber Co. and during Matt's time at Goodyear, the Porsche 996 was placed on display outside of the world headquarters in Akron, Ohio.

The Porsche 996's name in the *Cars* movies was Sally Carrera! Sally had a shortened wheelbase and has a pinstripe tattoo on her engine cover. Sally was animated by Pixar's animators to look, move and respond in a manner to the real-life automobile. Sally Carrera had a major role in the *Cars* movies and was the town attorney for Radiator Springs, having relocated there from Los Angeles, California where she was a successful lawyer. Her appearances include the feature films *Cars*, *Cars 2* and *Cars 3* as well as the TV series *Cars on the Road*.

A Sally Special was completed in 2022 as a drivable 911 inspired by Sally Carrera but had a meaningful purpose of helping raise money to change lives. Sally Special was auctioned off by Sotheby's in August, 2022 with the entire proceeds going to two charities: One is Girls, Inc. and USA for UNHCR. The winning bid reached \$3.6 million, a new record for a new Porsche sold at auction.

After the *Cars* movies with Sally Carrera, Porsche and Pixar created three one-of-a-kind 911 sports cars inspired by Buzz Lightyear, Woody and Jessie to celebrate the release of Toy Story 5 in June 2026.

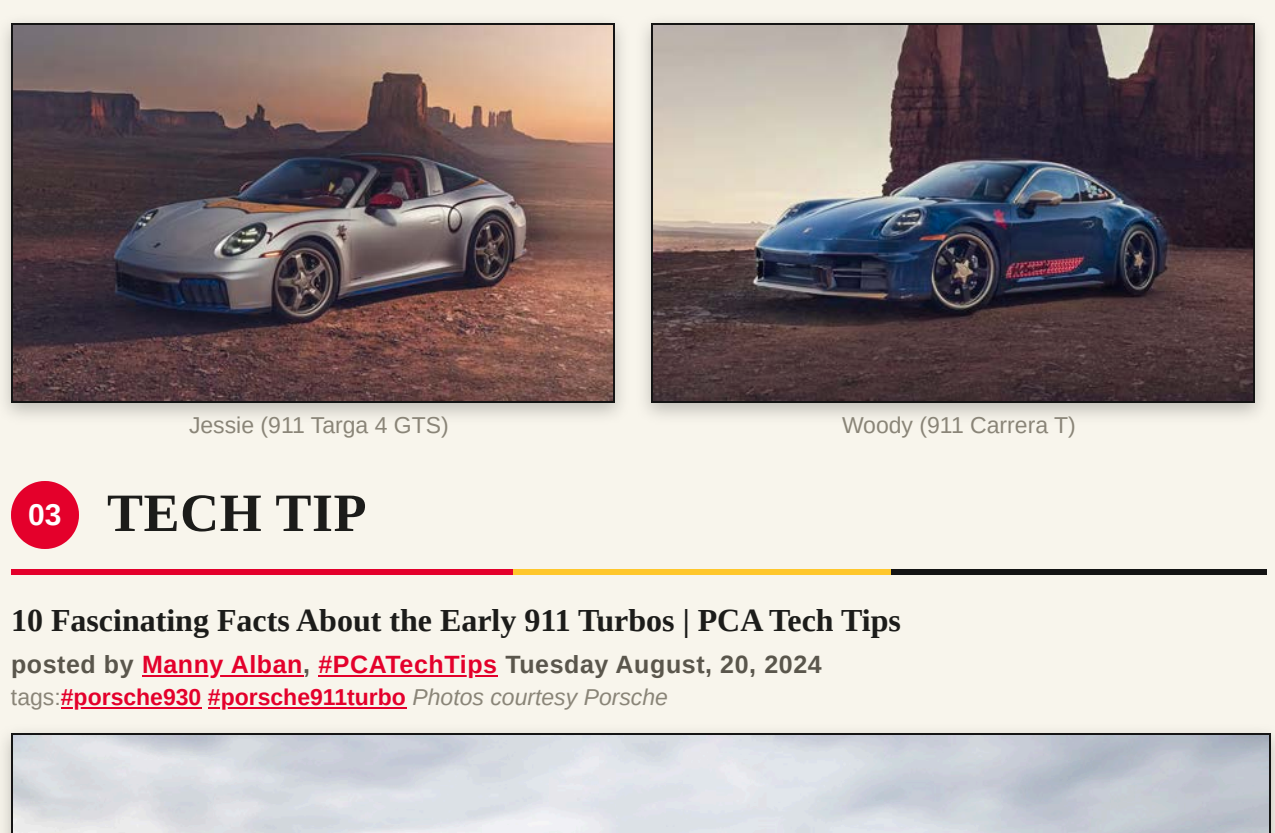

Buzz Lightyear (911 GT3 RS): Finished in Buzz's signature white, green and purple space suit colors, complete with "Lightyear" tires made by Goodyear Tire and Rubber (Goodyear made the tires for all three of the special 911 tires but only the Lightyear for Buzz) and a Weissach Package (Porsches ultimate performance package designed to improve track dynamics).

Woody (911 Carrera T): Features custom paint designed to mimic the texture of worn blue jeans, paired with a brown vintage leather and denim interior.

Jessie (911 Targa 4 GTS): Painted in a custom Jessie white Metallic with a red Targa roof that mimics her cowgirl hat, plug denim-inspired cabin accents.

The trio debuted on the red carpet on June 19, 2026 and the project inspired a \$3 million donation to three non-profits: The American Red Cross, Starlight Children's Foundation, and Big Brothers Big Sisters of America. The trio were also displayed at the Porsche Parade, 2026 in Lake Placid, NY.

Porsche 911 Sally Special: created by Pixar and Porsche to benefit children and families

Only one Porsche 911 Sally Special will ever be made. It was sold by RM Sotheby's on August 20 at Monterey Car Week at a high bid of \$3,600,000 with auction proceeds supporting young girls through Girls Inc. as well as USA for UNHCR, the UN Refugee Agency. -- Photo above Porsche newsroom. Photos below Matt D'Arienzo & friend

My name is Matt D'Arienzo from the Eastern Buckeye Region in the summer, and the Suncoast Region in the Winter. I retired from The Goodyear Tire & Rubber Company after a 44 year career. We had Sally at our world headquarters shortly after the movie was released. Here are a few pics I hope you enjoy. Yes, that's me with the "Sally Smile".

Dear Mr. D'Arienzo,

Thank you so much for contacting Porsche Cars North America and sharing those stunning photos of the original "Sally" Carrera with us!

What a splendid imitation of the "Sally Smile." That must have been an absolutely electrifying experience to have seen the famous Pixar "Cars" out in forefront of the company's world headquarters and have photos to commemorate those moments.

We are astonished and grateful to see such original photos of Sally and greatly appreciate you taking the time out to send these over for Sally's 20th Anniversary.

Wishing you all the best.

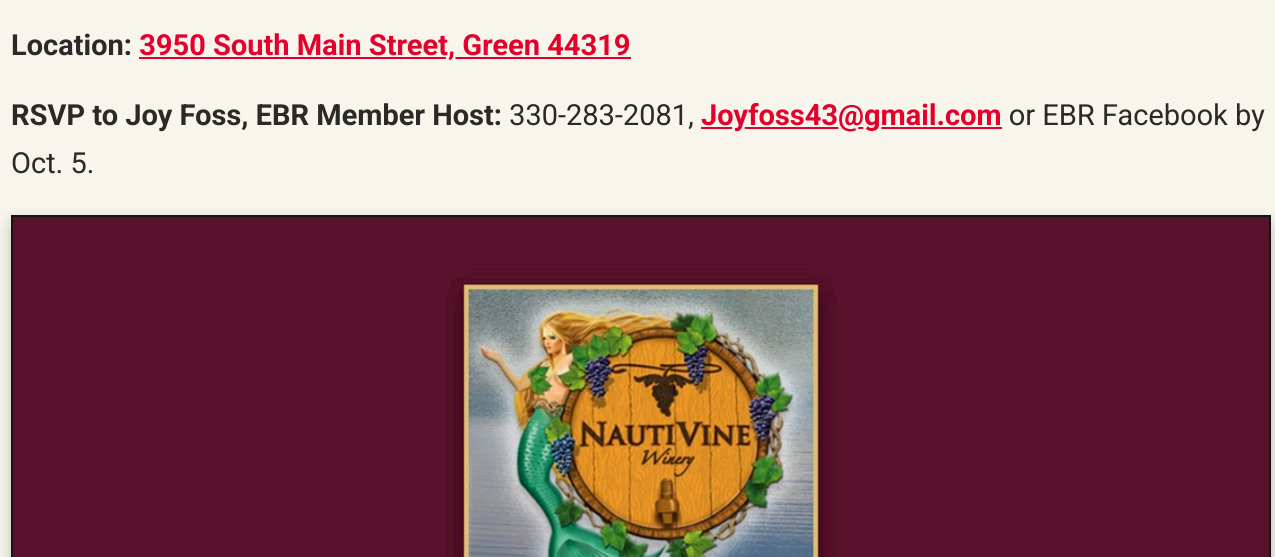

Best regards,

Candace D.

10 Fascinating Facts About the Early 911 Turbos | PCA Tech Tips

posted by [Manny Alban](#), [#PCATechTips](#) Tuesday August, 2024

Porsche is celebrating 40 years of the 911 Turbo this year. It was in October of 1974 when Porsche revealed the production version of its newest model. Turbocharging was something exotic and not mass produced. BMW had done it first with the 2002, but then the oil crisis of the '70s hit and it seemed that high-performance cars were on their way out. However, Porsche needed to produce and sell 400 versions of a turbocharged 911 street car so it could compete in Group 4 Grand Touring.

Here are 10 interesting facts about the first run of Turbos that you may have not known.

05 **CLUB ANNOUNCEMENT**

Join Our Leadership Team: We're Looking for an Activities Chair!

Dear Members,

Do you love bringing people together, exploring new driving routes, and planning fun social gatherings? Our club is actively seeking a passionate, organized volunteer to step into the role of **Activities Chair**!

About the Role

The Activities Chair is the heart of our club's social life. In this role, you'll help keep our event calendar full and engaging by organizing our signature events, coordinating with the driving tour chair, and gathering member input for new venues and experiences.

KEY RESPONSIBILITIES INCLUDE:

Event Planning: Solicit fresh ideas for venues and unique member gatherings.

Vendor & Venue Coordination: Act as the main point of contact for restaurants, event venues, and suppliers to manage contracts and reservations.

Budgeting & Board Liaison: Present simple event proposals and budgets to the Board for approval.

Communications: Maintain the events calendar and share details with our Webmaster and Social Media Chair to manage RSVPs via Facebook and email.

Designed for Success: The Member Host Initiative

To ensure the Activities Chair isn't overburdened, we've implemented the **Member Host** initiative for casual mid-week events (like Thirsty Thursday and Winding Down Wednesday). Member Hosts manage these individual monthly dinners, allowing the Activities Chair to focus their primary energy on our major annual flagship events:

- Spring Banquet
- Summer Party
- Holiday Fundraiser Dinner

06 **POST-EVENT GALLERY**

Gervasi Vineyard Cruise-In - September 9, 2026

The Gervasi Cruise-In on September 9, 2026 had a good turnout of approximately 28 Porsches despite the thunderstorm/rain that rolled in. We enjoyed a surprise visit from the Goodyear One Lap of America, Porsche 911 Turbo S with Goodyear's test driver. The event was a success despite the limited time. Several new member registration booklets along with PCA supplied marketing items were distributed.

Cinnamon Lake EBR Picnic - September 19, 2026

A great afternoon at Cinnamon Lake September 19, 2026. Thanks to Kelly Hendrix and Tom Stewart for hosting the group and Susan Hill for coordinating the event. There was great German food and beverages for the event. Thanks to all for contributing.

07 **JOIN A PCA SPECIAL INTEREST GROUP**

FROM PCA NATIONAL

Join a PCA Special Interest Register today!
PCA has 21 registries for those super enthusiastic about their Porsche model

The PCA Registry program was established in 1995 to encourage closer relationships within Porsche model owners in PCA. The program allows PCA members to network with others in their specific area of interest. Sharing of information fosters restoration and maintenance of members' automobiles. A registry can potentially provide a new resource for historical displays at Parades and other PCA events, along with information for articles in *Porsche Panorama*. Don't see a registry for your Porsche? We are also looking for individuals who are interested in starting a registry for a model that doesn't have an existing registry.
